LeTip International Newsletter

Fourth Quarter 2010

Dear LeTip Family,

When looking up the definition for thankful, I found this wonderful description. I felt it was appropriate to share it with you, not only because of this special time of year, but also because of where we are as a nation.

"People with a strong sense of gratitude, love and appreciation don't necessarily have more than others; they simply recognize and see more beauty in their lives. A 2003 study suggests that people who count their blessings are generally happier and healthier than people who don't. If you ever feel as if anything in your life isn't "enough", try practicing an attitude of thankfulness. You might realize how good you have it after all."

I want you to know how thankful I am for each one of you, and those who I surround myself with daily. Thanks for being a part of my world. For YOU, I am truly thankful!

Let's be thankful together and focus on just how lucky we are to live in a land where we are free to worship, practice business and express what we feel on any subject. There is always light at the end of the tunnel when you are surrounded by people who care, and we care!

Happy Thanksgiving!
Kim Marie

LeTip Launches New Slogan

The Guiding Principle of LeTip International

To intentionally help one another prosper through mutually beneficial relationships, and thus create an economy that rewards everyone.

Give, get, grow... repeat!™

LeTip's new slogan expresses our 4-stage formula for networking success.

I originally wrote this as the title of a recent networking seminar which I presented at the University of Phoenix. It has quickly taken on a life of its own. I think its because this slogan is easy for people to remember, and it quickly conveys the benefits of membership.

The slogan is actually a blueprint of our structure... and that's what gives LeTip chapters the edge over casual referral groups. Our chapters look for members who understand that relationships take time, and success comes to those who are committed to the group. The new slogan says it all. As LeTip members, you understand that the referral process starts when you "give" Tips, so everyone will "get" Tips, and that's how we all "grow" our businesses. And when something works, by all means, "repeat" the process!

The new slogan will be used in upcoming marketing campaigns, both online and off. LeTip International's well-known slogan, 'Dollars in your pocket!'™, will always have a place of honor in our promotional materials. However, it is exciting to roll out this new campaign!

LeTip Powerhouse Networking Events

I have had the amazing opportunity to travel to several regions this year to participate in the roll-out of a fabulous, new and exciting program: LeTip Powerhouse Networking Events. We developed this kick-it-up motivational program to honor and enthuse our LeTip's members, and to show off our high achievers and exceptional chapters. Within the next year, LeTip Powerhouse Events, (which will replace the fall training seminars), will be coming to your region, too!

LeTip Powerhouse Events provide a truly special opportunity to give you a broader perspective of LeTip, to show you what is happening beyond your specific chapter. This program is the perfect way to show you that you are a part of something much, much bigger! High energy is the hallmark of these events... plus you're going to see the "best of the best" Showboat tables and new videos, applaud annual award winners, hear motivational speakers and, most importantly, experience a room filled with enthusiastic members doing what they do best... sharing ideas, Tips, and friendship.

I can hardly wait to see you next year at your Powerhouse Networking Event! Get ready to be motivated, to show off your best member, and prepare your guest list. This is the time to let us help you-and your chapter-turn your guests into members who can grow your business

Visit us on Facebook at LeTip International to view comments and pictures of a few of the Powerhouse Events held this past year.

Your regional directors will be sending out their new 2011 calendars in January, so be sure to mark the date! I know you'll find this as exciting and rewarding as I do!

Renew Your Membership Online!*

It's quick, secure, and can save you 10%.

Paying your renewal promptly saves you time and money! (Currently, only U.S. members can renew online.)

Despite the increased cost of doing business, we are working hard to keep your renewal rates at their current level. To accomplish this, we have revised the renewal process, and limited the number of renewal notices (2), which will save postage and administrative costs. Most important, prompt payment of your renewal will save you 10%. As always, we also accept payments over the phone, or by mail. LeTip honors the postmark date, if you choose to send a check.

Here's how to renew online:

1. Go to www.letip.com <http://www.letip.com/>
2. Login. (If you haven't registered yet, this is the time to do so.)
3. Look for the User Menu, located in the far left-hand column of the homepage. Click on the sixth option: LeTip Only Membership Renewal
4. Fill out the form, following the instructions. You're done!

- If you renew by the 10th of the month, your payment will be $193.50.
- Your payment must be received between the first and the tenth of your anniversary month (the month you joined). When paying online, select the $215.00 payment option. Our data processors will automatically deduct 10% if received by the 10th. This means your credit card will only be charged $193.50.
- If you renew after the 10th of the month, your payment will be the normal renewal rate of$215.
- If you renew after your anniversary month end, your payment, including a late/reinstatement fee, will be $250.
- To maintain your member status, payment must be received no later than the end of the second month after your anniversary month. (For example, if your renewal month is August, payment must be received no later than the the 30th of September.) If payment is not received within this timeframe, membership may be terminated.

It is our intention to keep our dues as low as possible, for as long as possible, so you can grow your business without worrying about added costs. You are the reason we do what we do!

LeTip Webstore

We continue to add new products on our LeTip Webstore. These items can be used as rewards or prizes for a membership or tipping contest. The caps are great for golf outings or social events. One of our newest item is our LeTip Tote Bag. It's great for trade shows and golf outings and perhaps a gift bag welcoming new members.

To use the Webstore, go to our LeTip website and sign in under the Members Only section. You will see a list of options on the left side of the screen including LeTip Webstore and LeTip Members Only Renewal. Just click on the one you want to use.

If you cannot sign into the Members Only section for any reason, please email our administrative staff and they will assist you

Happy Thanksgiving!
