

# Business Mixer Chair Script

Business Mixers increase chapter exposure and boost every member's presence.

---

*It is suggested that chapters have morning mixers, especially if they normally meet in the morning.  
(The following is to be read when announcing a business mixer)*

***Good Morning! My name is \_\_\_\_\_. I am the chapter's Business Mixer Chairperson and also the chapter's \_\_\_\_\_ (name your category).***

***Our chapter has quarterly business mixers to promote new members and chapter growth. These meetings are held at a restaurant, hotel or country club and never at a member's place of business unless they own one of the above-mentioned businesses.***

***Since 50% of our referral business comes from our significant others and those close to us, we also invite them to our business mixers.***

***It is suggested we have a morning mixer because most LeTip Chapters meet in the morning***

***Our next mixer will be \_\_\_\_\_ (date and day). Please remember, our regularly scheduled meeting for this day will be cancelled as our mixer will take it's place. You are encouraged to invite spouses, best friends and those interested in joining LeTip to grow our chapter and increase business. If you care to donate a door prize and be recognized at the mixer, please advise the Chair before the day of the event and bring it with you that day.***

***This is a mandatory meeting for all members. If you fail to attend you will be tapped with a "gentle reminder" (fine). LeTip is a family. Let's work together and build our chapter!***
